

SIGNS & SYNCHRONICITIES

Each of us has a unique spiritual path.
Therefore, the signs and synchronicities
you see may not have the same significance
or meaning as they do for others.

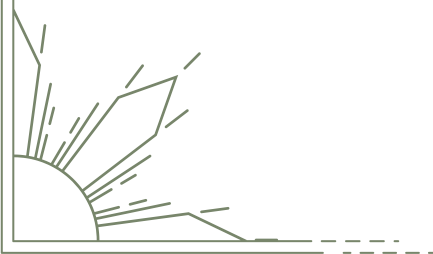

In this journal, we will use the questions "who,"
"what," "where," and "when" to determine the
"why" behind the signs and synchronicities.

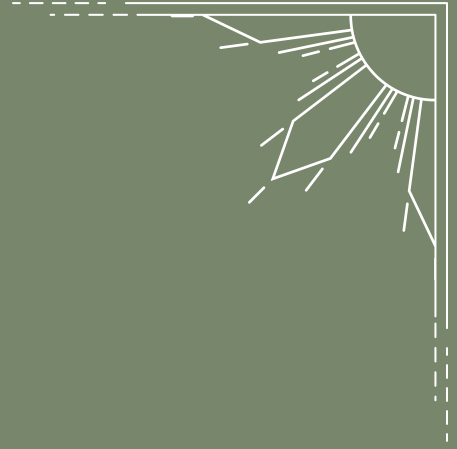

- Who** were you with when you saw the sign?*
- What** were you doing, **what** were you thinking,
and/or **what** were you feeling at the time?*
- Where** were you?*
- When** did you see it? (date/time)*

As you fill out the questions, you will eventually find
the pattern that determines the "why" or the meaning
behind the signs/synchronicities.

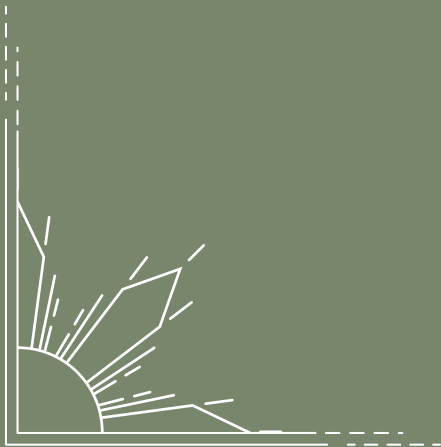

I hope this tool can help bring you clarification and
comfort. Have fun!

Love,
Courtney Hennigan
